

**\$2.50 will hardly buy you a latte
but it will help our GLBTIQ community.**

As little as 10 dollars per month can benefit GLBTIQ people in Australia.

The Gay and Lesbian Foundation of Australia (GALFA) raises and distributes funds for activities and projects that benefit GLBTIQ people in Australia. GALFA is Australia's peak GLBTIQ philanthropic organisation.

Your tax deductible monthly direct debit donation will greatly assist GALFA to make a difference in our community.

For more information go to galfa.org.au and check out the different ways to donate. With the tax benefits you will be able to buy many lattes.

supporting GLBTIQ communities across Australia
